To whom it may concern,

This is to confirm that Afra Quintas worked at Provenance from the 1st of December 2015 to the 30th of June 2016. During this time she was responsible for managing our tuna tracking pilot as well as managing grants. From 1st June 2016 to the 30th June 2016 Afra continued to work for Provenance as a remote, part-time employee. Since 2019, Afra has been a partner in our El Born pilot project, working from Barcelona.

Regards,

Astrid Chang,

COO-CFO
